

PROBLEM: OVERCOMING FEAR OF MAN WHEN MINISTERING HEALING

SOLUTION: "Jesus, kill me with your compassion"

Focusing on Jesus' compassion is the only thing that I found in my life that changes me on the inside. When I allow the love of God to overwhelm me, then I find that I am not even conscious of the fear that would normally stop me. Practically speaking, how do I do that? How do I allow God's love to overwhelm me? It is simple. That compassion you have for your children, or your pet, or for ANY sick person you see or hear about, or any person you know that is suffering from something... THAT IS THE LOVE OF GOD. Simply meditating on that person's need will motivate you after some time. Ask Father to perfect His love in you... He will do it.

The Lord recently said this to me: "*You can **act** like you love someone, or you can **actually** love them.*"

We sometimes focus on the wrong thing to solve a problem. Like some folks might tell you you just need to get out there and evangelize and "get out of your comfort zone." That is just attacking the symptom. The ROOT of the issue is YOUR PRIDE which causes fear of failure, or fear of rejection. The ROOT is PRIDE. Love, because it is selfless, is the opposite. You can't love and be in pride at the same time.

So, when I meditate on that person's need, that compassion gets stronger and stronger, and then what happens is like the farmer who plants a seed and doesn't know how it grows. You just wake up and find that you're not even thinking about yourself anymore... you don't even realize that you are overcoming your pride... it just happens naturally from an outflow of God's love.

ADDENDUM:

1. Remember that when Jesus sent out the 12 and 72 to evangelize and heal, he sent them out IN PAIRS. You will find the presence of other Christians will give you more confidence. Also reflect on Jesus' words: "where two or three are gathered together, there am I in the midst".
2. An excellent book to read, to avoid pride, is "HUMILITY" by Andrew Murray. You can find it free to read online here: <http://www.worldinvisible.com/library/murray/5f00.0565/5f00.0565.c.htm> and you can download the mp3 version free here: http://www.archive.org/details/humility_nat_librivox
